

### Basic Pronunciation Practice 14.

Hi Liz, what happened to your arm?

Oh, you won't believe it. I was coming out of the cellular phone store the other day, and I slipped on something and landed on my arm. It's broken in two places!

Your kidding?

No, I wouldn't joke about something like this. It's a pain!

What did the doctor say about the break?

Well, he said it's a bad one, and it'll take about two months to recover.

Is that your writing hand?

Yep!

So, what will you do for writing?

The professors all said that I can dictate my essays, or type with my other hand. That'll be interesting!

Hey, if you need help typing, I can do it for you.

That's really sweet of you. I might just ask you for some help. Thanks.
