

Peter: Hi Liz, are you just about ready?

Liz: Yep. Thanks again for giving me a ride. I appreciate all your help.

Peter: Oh, don't mention it. Anything for my friends!

Liz: You're so sweet.

Peter: So, your dad will pick you up at the train station?

Liz: Yes. Mum will be in her aerobics class, so she won't know that I'm arriving. We'll pick up three more people, plus the birthday cake, and get back to the house before she comes home. Everyone else will be waiting there.

Peter: Oh, I love surprise parties.

Liz: Me too!
