Welcome to **21 Days of Prayer and Fasting**
for the University of the Nations!

Thank you for taking time to pray and fast for the UofN in whatever way the Lord leads you to. This focused corporate time of prayer has three main purposes:

1. **Personal consecration and preparation of our hearts**
   “But someday the groom will be taken away from them, and then they will fast.” Matthew 9:15
   Take time daily to set aside with the Lord personally to allow him to soften our hearts in adoration for who He is.

2. **Setting aside of new leaders**
   While they were worshipping the Lord and fasting, the Holy Spirit said, “Set apart Barnabas and Paul for the work I have chosen for them.” Acts 13:2
   We are looking to the Lord to identify new leaders and new initiatives for the UofN globally.

   After 50 years of training in YWAM we have much to celebrate! Many have laboured in prayer and in numerous ways to develop the UofN to where it is today. As we consecrate these 21 Days before the Lord, let us believe God for breakthrough and revelation regarding the UofN, in our own geographical areas and on behalf of others.

Each day has a **share what you pray** button. If you receive an impression from the Lord, that you feel needs to be shared, please respond to this. That way we can discern major themes and communicate with leaders as appropriate.

May you know the leading and empowering of the Holy Spirit as you pray.
Day 1:
Celebrating 50 Years of Training
Remember, Rejoice, Renew, Reveal!

Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls. Jeremiah 6:16

People from many nations will come and say, “Come, let us go up to the mountain of the Lord, to the house of our God. There He will teach us his ways, and we will walk in his paths. For out of Zion shall go forth the law, and the word of the Lord from Jerusalem.” Isaiah 2:3

Who would have thought that fifty years ago when a group of zealous young Jesus followers embarked on YWAM’s first School of Evangelism that the seeds sown then would multiply and diversify throughout the earth into thousands of ministries and training programmes.

In this 50th anniversary celebration, we return to the birthplace of YWAM’s training programmes, celebrate and give thanks for all God has done through the UofN and related ministries. We believe we are returning to the place where God began to reveal His purposes for YWAM training. That provides opportunity to remember, rejoice and renew His Covenants. As we look back and strengthen our foundations, we also look forward asking God to reveal His plans for the future.

That requires prayer. Lots of it!

PRAY:

» For revelation and keys that will unlock from heaven divine blueprints on earth for this next phase of the UofN.

» For all those working on the programme, as they engage in the daily battles to serve this event.

» For heart preparation for those attending and the YWAM family unable to attend - that God would be speaking to all.

Day 2: Prayer & the UofN

Hear O Israel: the Lord your God is One! You shall love the Lord your God with all your heart, with all your soul, with all your mind and all your strength. Deuteronomy 6:4,5

My House shall be a House of Prayer for all nations. Isaiah 56:7

From the beginning of YWAM training in Switzerland, (1969) which included SOE and DTS, intercession for the nations was an integral part of every school. In the very first training schools, Joy Dawson taught deeply and extensively on “Principles of Intercession.” (1) Hundreds of hours of prayer, sometimes accompanied with fasting and always accompanied by waiting on God and hearing His voice, birthed schools, training programmes and campuses. These were always linked to the Great Commission.

Today a three-hour minimum of intercession for the nations is recommended by the UofN. Why? Tom Bloomer, former Provost of the UofN outlines the following reasons: (2)

» It is a simple act of obedience. God responds to our prayer, moves on our behalf.

» Intercession unites us - as we think God’s thoughts, share His heart, pray His prayers. We create with God through intercession.

» Intercession is linked to our learning. It is a place of integrating mind, heart, soul and spirit.

PRAY:

» Ask God today to reignite the prayer furnace. Is your YWAM center a place of prayer for the nations? Are your schools birthed and maintained in a spirit of prayer?

» Ask for His Spirit to integrate worship and intercession in every training programme.

» Ask for His leading and revelation in prayer over these next 20 days.

Day 3:
Launch Out into the Deep

Read Luke 5:1-11

When he had finished speaking, he said to Simon, “Launch out into the deep, and let down your nets for a catch.” Luke 5:4

“We recognised that the UofN was to be a University founded on the Word of the Lord….it is to be His University, a University of the Spirit, a discipler of nations… I believe revelation will continue until He returns.” (Howard Malmstadt)

Jesus had commandeered Peter’s boat and used it as a classroom. As Peter obeyed Jesus’ instruction to launch out into the deep and let down the nets, perhaps against his own judgment, tired and weary from labouring all night, Jesus enabled a massive catch of fish that required strategic partnerships to manage.

This resulted in:

» A greater revelation of who Jesus was and his own sinfulness.
» Jesus’ promise of greater fruitfulness among men
» Leaving everything to follow Jesus in a live-learn discipleship environment

We believe that this next phase of multiplication for UofN will require greater depth, greater sanctification and greater obedience, resulting in a greater harvest and many following Jesus.

PRAY:

» Ask God how to apply this scripture in your situation. Ask Him to bring about greater sanctification and multiplication.
» Pray today to be open to receive and act on fresh insight and instructions from the Holy Spirit from the classroom of the boat you have been in. The way He will lead you is unique, specific and tailor-made for you in your location.
» Ask for His strategies for your training programmes as we enter this new season. Ask God to take you deeper into His understanding and heart for training and discipleship.

Because of God’s grace to me, I have laid the foundation like an expert builder. Now others are building on it. But whoever is building on this foundation must be very careful. For no one can lay any foundation other than the one we already have - Jesus Christ. 1 Corinthians 3:10-11

Over the last 50 years the Lord has been laying the foundations for His University. We are so grateful for co-founders Loren Cunningham and Dr. Howard Malmstadt who have laid firm foundations. Many others have joined in this process of patiently listening to God and building with Him in various courses, colleges and campuses in numerous locations all over the earth.

Some of the foundational concepts are:

» Revelation - listening to God at every step in every course is very important.
» A University to prepare people to Disciple Nations and bring transformation
» Live-learn environment
» Multiplier for Missions
» Modular education utilising mobile teachers who would be expert in their fields
» A University of the Spirit
» Multi-generational, multi-cultural, multi-locational
» Families are an important part of the UofN
» Field driven
» Affordable and accessible for all
» Connected to Legacy Words
» A University of Integration - 7 spheres of influence, Christian Magna Carta integrated into all of life.
» Innovation
» To redeem the name “University”

PRAY:

» Thank God for the founding generation of the UofN
» Pray that the foundations would remain firm as we continue to build and multiply geographically, into all spheres and in all aspects of the Great Commission.
» Ask the Lord to highlight one or two areas from the above list or video. Ask for wisdom and revelation in building on these foundations.
Since the beginning of YWAM four main words of the Lord have emerged as landmarks and sign-posts toward the future. Each has come with significant cost and challenge. They have marked, challenged and led us over these last 50 years.

They are:

1. **Waves of Young People** going from everywhere to everywhere with the love of Jesus

2. **Christian Magna Carta** (1981): that everyone has the right to:
   - Hear and understand the Gospel of Jesus Christ
   - Have a Bible in their own language
   - Have access to a Christian fellowship
   - Have access to Christian education
   - Have basic necessities of life - food, water, clothing, shelter, health care
   - Lead a productive life of fulfilment spiritually, mentally, socially, emotionally and physically

3. **Spheres of Influence**
   - Focus on discipling nations through the 7 spheres of influence

4. **End Bible Poverty**
   - A Bible for every person in their mother tongue

**PRAY:**

The UofN already has hundreds of training programmes to equip students for service wherever God calls them, **based on at least one of these Legacy Words.** In this time of multiplication and expansion, pray:

- For further revelation of training programmes in line with these legacy words.
- For equipping and training of **leaders**
- That each individual, family, community serving in their specific area would embrace **every part** of our legacy words.
Day 6:  
Next Generation  
Affordable & Available  
Education  

And your sons and your daughters shall prophecy, and your young men shall see visions. Acts 2:17

And a little child shall lead them. Isaiah 11:6

The vision of the waves has always represented in our midst the importance of involving young people in missions. We forget how big a breakthrough that was even for the North American context of the 1960s. Today we contend to see that become a reality for children and youth of every nation. Involving them in mission also implies making training accessible to them.

As YWAM we affirm the right of everyone on earth to a Christian education for their children. As of 2014 an estimated 60 million children (¹) of primary school age were not attending any school at all, Christian or otherwise, the majority of them being in Sub-Saharan Africa and South Asia. Over 600 million people 15 years of age and older have no formal schooling. Those numbers do not even consider the accessibility of specifically Christian education. What will we do as the University of the Nations to make Christian education accessible for them? What will it look like to create a space for them at the Father’s table?

PRAY:

» Ask God today to show you His heart for those currently shut out of education because of barriers of geography, of violence, prejudice, or economics.

» Ask for His Spirit to teach us His way forward, His strategies for development.

» Ask for His grace to be poured out on those YWAMers already engaged in making education accessible for the poor and the disadvantaged. May they have strength for the journey ahead.

This is one example of one aspect of the Christian Magna Carta. (²) Pray for others as the Lord leads you.

Love is patient, love is kind, It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs… It always protects, always trusts, always hopes, always perseveres. Love never fails... 1 Cor 13:1-13

When Jesus went ashore, He saw a large crowd, and He was moved with compassion for them because they were like sheep without a shepherd; and He began to teach them many things. Mark 6:34

Amidst all of the labour in developing courses for UofN, training students and staff, developing prototypes and resources, it is easy to focus primarily on goals and outcomes. Howard Malmstadt challenges us through this well-known scripture to experience Christ’s love where our human love fails.

“The curriculum materials, tools that we have will only really be successful as we fully understand and seek that love of Christ in us.” (Howard Malmstadt)

Prayerfully read and pray through 1 Corinthians 13 today. Ask the Holy Spirit to show you areas where you fall short of His love. Ask Him to fill you with His love for colleagues, students, children, staff, other ministries at your centre or location, people to whom your students are ministering. Receive His love by faith. Move in love toward those you could easily avoid. Ask for creative ways to express love in your community.

Read and pray the same scriptures again, substituting “the love of Christ in me” for “love”.

PRAY:

» That all of our training and teaching would be filled with the compassion of Jesus. (Mark 6:34)

» Ask the Holy Spirit to fill us with His love for those in our families, communities and in the areas we are sending students and staff.

Day 8: Great and Small

Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ.
1 Corinthians 12:12

...Instead, whoever wants to be great among you must be your servant. Matthew 20:26

Small and Large Campuses: In an interview in 2001[1], Howard Malmstadt believes that it does not matter if a campus size is 20 or 2000. Effectiveness depends on the presence of good servant leadership with Biblical worldview, good communication of the vision, and that every part of the vision is important.

Servant Leadership: considering the welfare and destiny of every individual, and that we are a people called by God.

Good Communication: with leaders, every individual, new people who are coming in all the time. Unfortunately, this basic principle can be easily neglected through busyness, and the vision ends up not being well communicated.

Every Part is Important: Embrace the whole. A danger we face as we develop stronger programmes and centres is that of not recognising that our part is only a small part of the overall vision. We must embrace all of our programmes, not just the part that we are working on.

In the early years, Howard Malmstadt retells of how the leadership would all stop and pray if they noticed any part of their ministry slowing down, even the parts they were not directly involved in.

PRAY:

» For innovative ways to communicate vision and establish depth of unity in every UofN campus and leadership team.

» For effective servant leadership in every school, every campus, every ministry associated with our campuses.

» Pray for strengthening of relationships and partnerships between larger and smaller campuses.

After this I looked and behold, a great multitude that no one could number, from every nation, from all tribes and peoples and languages. Revelation 7:9

Dr. Howard Malmstadt outlines some characteristics of an ideal “Christian University”\(^{[1]}\):

1. The people, who are the University, would know God intimately.
2. The people would be committed and become engaged in the Great Commission.
3. The campus community would express the love of Jesus in numerous tangible ways.
4. The people would work together in unity and would be a catalyst for unity in the Body of Christ. (John 17:20-23)
5. The people would be obedient to the Word of God.
6. The programmes, courses and activities would all be inspired by the Holy Spirit and be designed to release God’s gifts of creativity in all.

Howard concludes that it is possible to reach this ideal IF we seek diligently to remain open to impartation from our Creator. God seeks a people committed to His vision for the UofN, and to His ways of teaching, managing and communicating. Above all, God seeks a people filled with His love.

**PRAY:**

» Ask the Holy Spirit to show us areas in our lives and ministries where we are falling short in any of these characteristics.
» Ask the Holy Spirit how you can be strengthened in these areas.
» Wait on Him for revelation in areas of His vision, ways of teaching, managing, communicating and working together in community.

Day 10: A House Swept Clean

When an impure spirit comes out of a person, it goes through arid places seeking rest and does not find it. Then it says, “I will return to the house I left.” When it arrives, it finds the house unoccupied, swept clean and put in order. Then it goes and takes with it seven other spirits more wicked than itself, and they go in and live there. And the final condition of that person is worse than the first. That is how it will be with this wicked generation... Matthew 12:43-45

The early days of YWAM were marked by repentance, cleansing and a deep sense of the fear of the Lord. These last few days of prayer together we have been praying through foundations in the UofN. Let us examine our lives in the light of these foundations and allow their truth to be a plumb line.

In an interview in 2001, Dr. Howard Malmstadt warned of some of the traps in building God's University. These included:

» Spiritual warfare
» Pride, self-sufficiency, thinking we have all the answers or “great leaders”
» Dangers of drifting from vision and values of the UofN as a tool in discipling nations as we grow and not being aware of it until it is too late.
» Howard predicts large numbers, and billions of dollar’s worth of resources, but warns that these do not make a great university.
» Worldly way of raising finances. In the beginning we had no resources, but as we used what we had, the Lord added people and resources.
» Not listening for the next step the Lord wants us to take.
» Warning of people with expertise but insufficient character being attracted to the UofN.

Is it time for a greater sweep of our YWAM House? As we prepare to expand and multiply, can we identify spider webs of differing worldviews lurking in the corners of our lives, ministries, families, training that have been swept clean? Have we fallen into any of the traps Howard warns us of?

PRAY:

» Ask God to show us any tolerance of things that are not pleasing to him in our lives, families, relationships, ministries, training programmes, campuses, beliefs and practices.
» Ask God to place safeguards, so that the UofN globally and in your area will flourish for the next generations.

In the last days, God says, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams. Acts 2:17

Pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress and refusing to let the world corrupt you. James 1:27

From the beginning of the UofN, genuine relationships between generations were celebrated. “We don’t want to isolate our students, staff or our students’ families. We desire synergy. In universities it is traditional for universities to separate students, but we want the UofN to operate in community as extended families.” (1)

In YWAM we are called to value families. Value 15 states:

“YWAM affirms the importance of families serving God together in missions, not just the father and/or mother. We also embrace the inclusion of single-parent families. We encourage the development of strong and healthy family units, with each member sharing the call to missions and contributing their gifts in unique and complimentary ways. We uphold and celebrate the Biblical view that God’s intent for holy matrimony is between one man and one woman.”(2)

PRAY:

» For all of our families to have a Biblical worldview in the way they raise their children and serve God as families in missions.

» For a spirit of wisdom and revelation in the detail of all family matters (Ephesians 1:17), e.g. training, education, periods of separation, cross-cultural experience.

» For multiplication of people, resources and training programmes that reach out to families in need.

Resources

Day 12:
The Great Commission: Our Mandate

Therefore go and make disciples of all nations, baptizing them in the name of the Father and the Son and the Holy Spirit, and teaching them to obey everything I have commanded you.

Matthew 28:19-20

The UofN has always been deeply connected to the Great Commission. The Lord called the UofN into being to help in the fulfilment of the Great Commission. It is our mandate. It is not the “teaching arm of YWAM”.

One useful way of looking at the Great Commission is looking at the “Five Finish Lines of the Great Commission”.[1]

These are:

1. Reach all people groups (Matthew 24:14).
2. The Bible made available to every person (Matthew 4:4).
3. Proclaim the gospel until everyone hears (Mark 16:15).
4. Church presence available to all (Acts 2:42,47).
5. Provide compassion and justice for all (Matthew 25).

We have training programmes in all of these areas. Technology is rapidly developing to track these "finish lines”.

PRAY:

» For increase and multiplication for courses, staff, leaders, students and resources in all of these categories, and geographical areas where we are not.

» Pray for increase of technology which will help in prayer and tracking these “finish lines”.

» For insight into new training courses and release of workers from your location.

And Hiram sent his men - sailors who knew the sea - to serve in the fleet with Solomon’s men.

1 Kings 9:27

The word of the Lord came to Loren Cunningham re ships during a cyclone in YWAM’s first outreach in the Bahamas. They were to be vessels bringing love and works of compassion as well as the gospel of Jesus Christ - the “two handed gospel.”

We are thankful to God as He has woven His story of ships into the fabric of YWAM, and for the deep lessons He has taught us. Today YWAM stewards 27 vessels of all kinds and sizes. Some are hidden and are practically demonstrating practical love in remote areas. Others are highly visible and connect with every sphere of influence.

In 1977 the Lord again spoke to YWAM from Acts 27 that the ships and the University of the Nations were a twin masthead. (Acts 28:11). Both have great potential as vehicles for discipling and influencing nations. Tom Bloomer (former Provost of the UoN) in 2015 exhorted us that a masthead can only operate when it is anchored in to the main body of YWAM.

PRAY:

» For leadership and management of ship operations.
» For release and training of qualified maritime personnel
» For greater revelation and application regarding the twinning of the ships with the UoN.
For this is what the high and exalted One says - he who lives forever, whose name is holy: “I live in a high and holy place, but also with the one who is contrite and lowly in spirit, to revive the spirit of the lowly and to revive the heart of the contrite. Isaiah 57:15

“Since the first day you began to pray for understanding and to humble yourself before your God, your request has been heard in heaven. I have come in answer to your prayer. But for twenty-one days the spirit prince of the kingdom of Persia blocked my way…” Daniel 10:12-13

In all of our ministries, particularly in ship operations and as we enter a new phase of growth in the UofN that can potentially position us for greater influence in the nations, we need to be aware of the nature of warfare and to posture our hearts rightly in humility, while maintaining standards of excellence in all that we do.

As Daniel humbled himself through 21 days of fasting, the Prince of Persia resisted the break-through God wanted to bring. Demonic principalities over nations, waterways, professions and spheres seek attachment in our lives. Humble, persistent and believing prayer moves the hand of God to break through principalities which seek to block God’s purposes.

PRAY:
We are a mobile priestly, intercessory people. Pray today for:

» A spirit of humility as our influence in the nations grow.
» Standards of excellence and God’s favour.
» Awareness of the nature of our battles – that our “fight is not against flesh and blood, but against the powers and principalities of this age” (Ephesians 6:12).
As goes the DTS, so goes the mission. This has always been the case for our entry-level foundational school into YWAM and the UoF N. For half a century, the lives of students around the globe have been transformed as they learned from expert teachers, been served by YWAM staff, and responded to the Holy Spirit. Multitudes have gone into effective service, not only in the church and mission sphere, but into every sphere of society.

The DTS continues to diversify and multiply. Dr. Howard Malmstadt said about the UoF N, “We must be alert to His voice and obey His directions. Every class, every hour, every moment should be open to teaching from the Holy Spirit.” This is particularly true of the DTS.

Carlinha de Paulo, who gives leadership to the DTS Centre, believes that many students will enter the DTS from broken families and from oral traditions. She also believes God has called DTS staff and students to pioneer new ministries in areas where we are not. (1) We know that eradicating Bible poverty is much more than just giving someone a Bible, but it is making disciples of all nations, and we believe that the DTS is a place where people will not only be disciples, but also learn how important it is for them to recognize their place in God’s story and invite others to the same.

PRAY:
» For the DTS to be more effective in reaching this generation and the people of oral tradition.
» That the DNA of the DTS remains unchanged even if the schools have a particular emphasis or are geared towards specific interest groups.
» For a multiplication of disciples that will invite others to follow their place in God’s story.
» For apostolic initiatives that will launch DTS staff and students into their part in “going to where we are not”.

And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others. 2 Timothy 2:2
Day 16: University for All Nations

I looked, and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and before the Lamb…

Revelation 7:9

YWAM Together 2018 was a remarkable display of people from over 90 nations, 70 languages, numerous tribes and people groups. Individuals who had never met each other were thrust together sharing the love of Jesus, doing acts of mercy, performing, distributing Bibles. And this was only a small beginning!

The UofN is uniquely fashioned to be a platform where the nations can come, learn and serve together for God’s kingdom. Although diversity can bring about challenges with the need to overcome language and cultural differences, it also cultivates a richness that reveals the beauty of God in all its different facets.

What if every school and training centre constantly had this diversity, passion for worship, love for one another, patience with language and a common goal to bring pleasure to the Lord in all that we do? May all that is done through the UofN add to the multitudes around His throne from every nation, tribe, people and language!

PRAY:

» For greater capacity everywhere to train people from everywhere to go everywhere.

» Patience with language barriers and cultural differences.

» For pioneering new ventures from the UofN - for appropriate training and infrastructure in various locations, so that we can reach all peoples and all spheres.

SHARE HOW YOU PRAYED
Expressions of God’s mercy, like healing the sick or providing water for a thirsty village, have value in their own right, whether or not the person is responsive to the Gospel. God shows His mercy by sending rain to the just and the unjust. We have the privilege of representing Him by doing the same. We also reflect His image by creating, innovating and solving problems. Science and technology are instruments with which to love God and love one’s neighbour. As grace and truth work together, so these expressions of God’s goodness prepare the way for greater understanding and acceptance of Who He Is.

As the University of the Nations, we have so much more to grow into and to learn in this area. What innovative solutions is God wanting to show us for problems the world has longed to solve? How would He like to show His goodness through science and technology? What are the felt needs of your community?

PRAY:

» Dear God, please grow us as the UofN in reflecting more fully Your image in the sphere of science and technology. Take us forward. We believe there is so much more, and long for You to lead us into it. In Jesus’ Name. Amen
Once people see an effective prototype or original model operating, it can be multiplied and adapted. Training courses and resources can be built around these prototypes and multiplied. Some examples of prototypes can be courses to build temporary and permanent homes, laboratories to diagnose diseases, adaptable containers for classrooms and clinics, training for primary health workers and other specific skills to impact communities.

At a prayer meeting in Hilo, Hawaii, 1974, “the Lord gave those present a vision and prophecy that YWAM would develop educational resources that would impact every area of society, every age level and every culture.” This seemed an impossible task and still is daunting. We believe that this prophecy is still to be worked out in greater measure as we follow the leading of the Holy Spirit and pray over this word.

PRAY:

» For revelation and inspiration to establish more prototypes, especially those that facilitate the discipling of nations. Spend some time “creating with God” in prayer for these.

» That every UofN campus would be an educational resource to the nations.

» For wisdom in presenting prototypes - products, materials, methods, and resources, so they can spread worldwide and impact every area of society.

Then God blessed them and said, “Be fruitful and multiply, fill the earth and govern it. Reign over the fish in the sea, the birds in the sky, and all the animals that scurry along the ground.”

Genesis 1:28

…I wrote about all that Jesus began to do and to teach. Acts 1:1
One generation shall commend your works to another; they will tell of all your mighty acts. They will speak of the glorious splendour of your majesty, and I will meditate on your wonderful works. They will tell of the power of your awesome works, and I will proclaim your great deeds. Psalm 145:4

YWAM will always champion young people. As a great mission wave rises in these days, alongside global shakings, we must serve them well, as the jet ski operator in the above video. Glo-cal opportunities abound for intense training, effective field assignments and long term service through modular training in the UofN.

As a multi-generational mission, we now have pioneering grandparents, fathers and mothers, young people, teens and children in our midst. Along with the wisdom, faith stories and heritage from the grey-haired generation, we need the expertise and nurturing from the fathers and mothers, as well as the strength, joy and enthusiasm of the young people, teens and children.

We need all generations through the UofN to reach and to train all generations.

PRAY:

» That all generations would continue to serve and train together at all levels in honoring, loving and biblical ways.

» For leaders and God’s blueprints to prepare for multiplication.

Day 20:
University of the Nations:
A Multiplier for Missions

Loren Cunningham explains some elements of how the UofN multiplies for missions:

“We are training young people in the UofN to change their society or renew the foundations of their society on the Word of God by teaching them first of all the foundational principles of Christ and the Word of God. We also give them an international experience, as they learn among the nations what the world is like that is shrinking. They also learn cross-cultural sensitivity. That gives them an advantage in the 21st century. For without that they cannot really be as effective leaders as they should. With it they are going to be world changers in the sphere of society they have chosen. That is what multiplying missions is all about.” (1)

For the earth will be filled with the knowledge of the glory of the Lord, as the waters cover the sea. Habbakuk 2:14

As we are poised on the breaking of a wave for growth, and we look to the Lord for fresh initiatives in all spheres, all locations and to all peoples, we realise this can only happen with His leading, accompanied by a fresh wave of sustained prayer.

PRAY:

» Wait on the Lord and pray for revelation for multiplication in your area.
» For leaders and God’s blueprints to prepare for multiplication.
» Ask for a fresh wave of prayer to arise in your team, campus and location.

As this period of corporate fasting draws to a close, we can be assured that God has heard us through a time of humbling and focused prayer for the UofN.

We believe that increased revelation will come and that powers of darkness have been held back. We believe that this 50th Celebration will be a time of great joy and also a time of co-labouring with the Lord to move forward into this next season together.

**PRAY:**

» With thanksgiving for all God is doing in your location and in the UofN.
» For the 50th Celebration.
» For continued revelation and breakthrough in this season.

Thank you for taking part in this prayer and fasting. We look forward to all God will outwork through His people in this next season.
